

The Lincolnshire Branch of the Richard III Society

Presents THE MUGASETH MEMORIAL LECTURE

Friday 14 July 7.30pm

*Disaster Recovery -
Reconstructing the impact
of the Black Death
from your garden*

An illustrated lecture by **Professor Carenza Lewis**

Carenza is renowned in the academic fields of history, archaeology and landscape studies. She is also a familiar face to television audiences, having featured on the much loved Channel 4 series 'Time Team'. Carenza taught for more than 15 years at Cambridge University and is now Professor for the Public Understanding of Research at Lincoln University.

***This will be a fascinating and lively talk
- do not miss it!***

**To be held in The Dunsdon Room,
The Urban Grantham Hotel,
Swingbridge Road, Grantham, NG31 7XT**
